

And so I tell you: you are the rock, Peter
And on this rock foundation I will build my church Matthew 16:18

February 5, 2010

Dear Friends:

The St. Peter's Sports Association is kicking off a fundraiser in support of its 3rd Annual St. Peter's Pirates Treasure Hoops to be held from February 11th thru February 23rd 2010. We would like you to be a part of our winning team by becoming a sponsor of this event.

Under the auspices of St. Peter's Parish and School, the St. Peter's Sport Association mission is to keep kids safe with after school activities, build character development through sportsmanship, and help kids become better citizens and future leaders by learning the fundamentals of teamwork.

Thanks to the leadership and commitment of our parents, volunteers, coaches, school staff and local business leaders like you, several thousands students grades K thru 8th have participated in our sports programs over the past 25 years.

We are eager to have you join our team during basketball season and support the approximately 300 families whose children attend St. Peter's School. Collectively, the members of the Sports Association have jointly volunteered with youth athletic leagues for over 50 years. Our team spirit is unwavering and so is our commitment to our children and the Belleville community.

The funds we raise for the Treasure Hoops will go towards supporting our entire sports program, which includes indoor and outdoor soccer, volleyball, softball, cheerleading and basketball.

Please use the attached form to demonstrate your support of our students. I respectfully request you mail your donation as soon as possible.

If you have any questions about being a sponsor, volunteer, or are aware of another company or firm who may be interested in also being a business sponsor, please contact Martin at MartinC1002@aol.com. If your company has a matching donation program please donate through that program and please send us a copy of the form you fill out.

Thank you for supporting St. Peter's Pirates. Your support is greatly appreciated.

Sincerely Yours,
Martin Casper & Danielle Downy
